DETAILED ACTION

Withdrawn claims 2, 4-8, 12 and 14-18 which depend from cancelled claims must be canceled before this application can be allowed.

The Declaration under 37 CFR 1.132 filed on September 18, 2006 has been reviewed by the examiner.

Claims 9, 10 and 19-24 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner has taken the position that there is no suggestion in the prior art for combining the Stemmerick reference with the secondary references to Steinbach (387), Bessim (456), Raskevicius (103) or Surko, Jr. (526), which secondary references do not teach the claimed tumbler pin as being displaced in response to an impact-driven blow of a given intensity, as is claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

This application is in condition for allowance except for the following formal matters:

The cancellation of withdrawn claims 2, 4-8, 12 and 14-18.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

Art Unit: 3676
